# *Dedication*

We wish to express our sincerest appreciation  
to our advisers, Mrs. Jennie Janulin and  
Mr. Meyer P. Smith, by dedicating this  
yearbook to them. Perhaps, in some small  
way, this will help to compensate for the  
hard work, devotion, and enthusiasm they  
expended in guiding us through the numerous  
class activities. Thank you for a job well  
done, and for your pleasant companionship.

## *What the Future Holds...*

- We are now about to emerge from our protected high school shelter and venture into a new type of life different from that which we have known. What the future holds for us we cannot tell; for, the future of everyone in these trying days is very uncertain.
- The world of today is facing many problems. The fighting raging in the world has a direct bearing on our lives. We are at the present time confused about our futures and we do not know which way to turn. If the situation grows worse, we may be taken into the service; if it clears up, we can proceed to fulfill our future plans.
- The greatest strain is the uncertainty which we all feel. We do not know what the outcome will be; nor do we know what is in store for us. We do know, however, that we will not meet the future unprepared. During the past few years we have been taught to think independently, to analyze our problems, and to seek the best solution. In the practical vocational field, Central has offered us many opportunities to prepare us for the business and industrial world.
- This is the foundation on which our futures have been built; only time and experience can strengthen this foundation and our chances for future happiness and peace.

## FOOTBALL TEAM

Under the direction of Coach Sal Commisa, Central's football team attained great heights. The boys captured two city titles, in 1948 and 1949; gained a reputation for high caliber sportsmanship; and above all, won the respect of their opponents as a team of sportsmen. By unanimous decision, Central, in 1949, received a cup from rival teams, for being the best sports on the playing field.

# FOOTBALL TEAM

## *Reaches Heights*

### RECORD FROM 1947-1950

- 1947** Central High came in third in the City League competition, falling before West Side and losing the Technical Trophy to East Side. The record at the end of the season stood at five wins and four losses.
- 1948** First in the City League, losing only one game and tying one all season, Central won the Technical Trophy from East Side and was a top contender for state honors until it lost to Orange.
- 1949** For the second straight time, Central took City Title and won the Technical Trophy from East Side. For good sportsmanship on the playing field, the team earned the Sportsmanship Trophy. In the state competition, Central only lost two games.
- 1950** Meeting strong competition, Central came in second, the record, at the end of the season, being four wins, three defeats, and two ties. In spite of injuries and inexperienced ball players, Central was still rated one of the best teams in the City and won the Technical Trophy from East Side for the third consecutive year.

### Coach SAL COMMISA

Coach Sal Commisa came to Central, a graduate from the University of Notre Dame. Under his direction, Central won three city titles and lost only three of the city league games played in the past five years. Many thanks to this fine coach who has led Central's teams to the height of football prominence!

**DON GABEL (26)**

Don worked up to the starting berth as a senior. Sorry to say, an injury in the Bloomfield game cut down the amount of action he was able to see during the 1950 season.

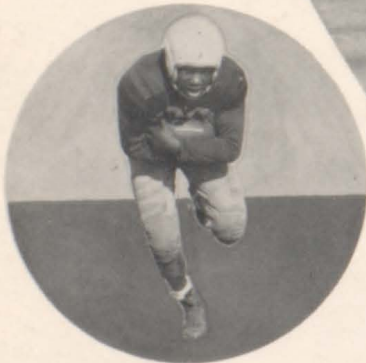

**PAT PACILLO (45)**

Pat, a varsity guard for three years, really came into his own during the 1950 season playing consistently on the line.

**ART HOOPER (22)**

In 1948, Art played right halfback. He developed into a great offensive star and made All-City on both the "Star Ledger" and "Newark News."

**JOE CRUTCHFIELD (46)**

On the varsity he played tackle. A good offensive and defensive player, Crutch was chosen captain for the traditional Thanksgiving Day game.

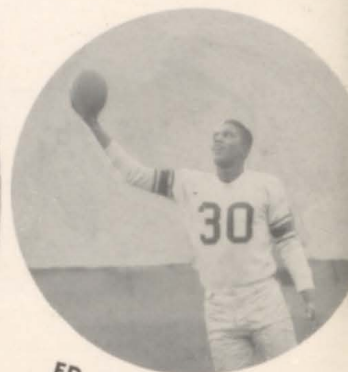

**BOB ORTIZ (40)**

During his senior year, Bob, although playing on the offense, shone as left guard. His fine play was recognized when the "Star Ledger" selected him for the All-City second team.

**FRANK WHITE (55)**

Whitey played varsity tackle where he performed very capably, earning his letter.

**GERALD VITELLO (23)**

Jerry played under Coach Commisa for four years. He was twice selected by the "Newark News" for its All-City teams in 1948 and 50 because of his consistently fine play.

**ED McLUCAS (30)**

After playing tackle during his sophomore year, Ed was switched to right end in 1949 where he earned a first string berth. He also ably performed as regular end in the 1950 season.

**MIKE SICA (15)**

Mike Sica played four years of varsity ball as left halfback. He was given a place on the "Star Ledger's" All-City team.

The Blue Devils play blind man's bluff. Who's got the pigskin?

Mike Sica of Central goes around right end to score decisive touchdown.

Central creates a spectacular center plunge which is good for a first down.

Mike Sica and Jerry Vitello practice field goals together.

George all the way!

Part of Central's Varsity might relaxes in a moment of rest.

## BASKETBALL TEAM

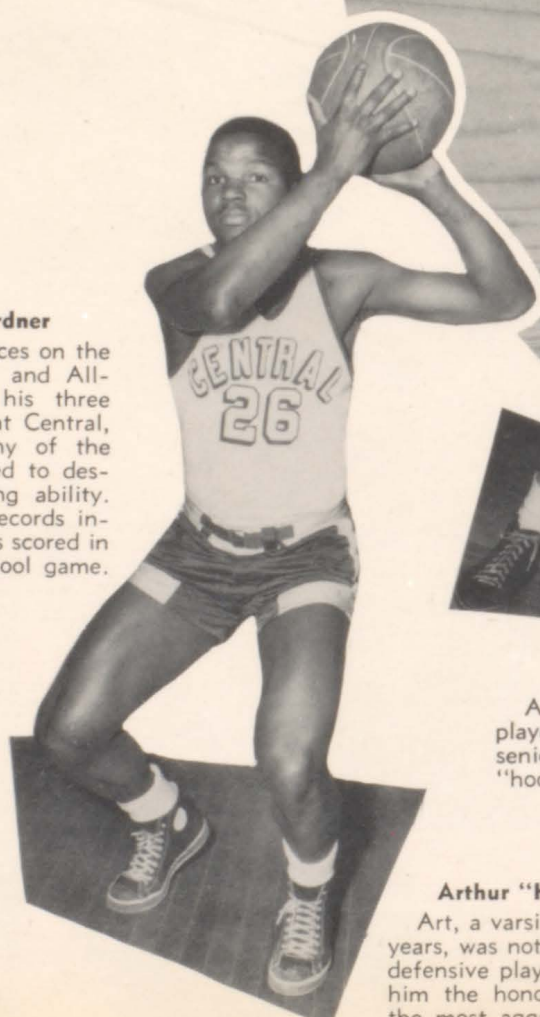

**Raymond "Buddy" Fluor**

A varsity player for two years, Buddy was such a versatile hoopster, being equally good in scoring, rebounding, and ball-handling, that he won a spot on the All-City team in his senior year.

**Lester "Les" Gardner**

Les, in winning places on the All-City, All-County, and All-State teams during his three years of varsity ball at Central, proved himself worthy of the many superlatives used to describe his great playing ability. Les holds numerous records including the most points scored in a single city high school game. (34 points).

**Warren Winfield**

A big 6'5" center, Warren played varsity ball during his senior year, as a very capable "hooper".

**Arthur "Hoop" Hooper**

Art, a varsity player for three years, was noted for his brilliant defensive play which earned for him the honor of being voted the most aggressive ball player in Essex County.

Barringer makes a futile attempt to score while Central waits for the rebound.

After being away for a few years, Mr. Henry Finck returned to Central to coach the Varsity squad. Doing a superb job, he turned out many outstanding players, and developed others who will someday make basketball history.

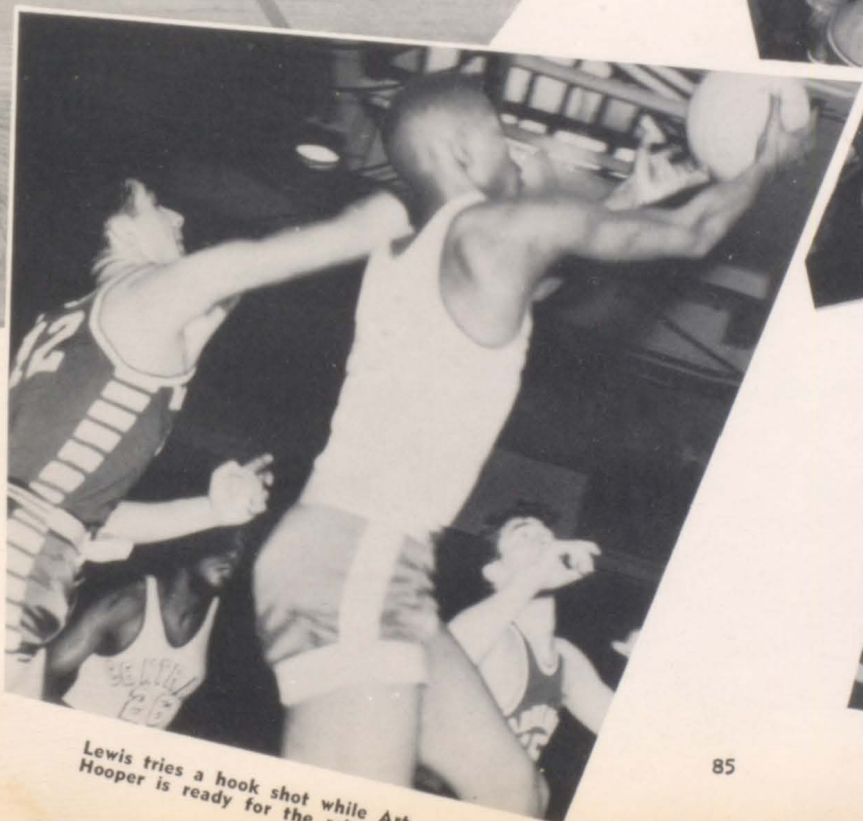

The basketball season ended with Central's winning the championship in the City League Tournament.

Lewis hits the basket for two points with a set shot.

Buddy Fluor is up in the air scoring a two pointer against Barringer while fans look on.

Lewis tries a hook shot while Art Hooper is ready for the rebound.

Central fans cheer the conquering heroes on.

BASEBALL SQUAD JUNE 1951

With the baseball season at the halfway mark, as we go to press, the Central squad has climbed to second place in the city.

Coach Bob Reilly is proud of his boys, their team play, cooperation and sportsmanship.

To date, the record shows seven wins and three losses.

**Lou Padula**

Second to none as a catcher, Lou received two varsity letters for his two years of playing.

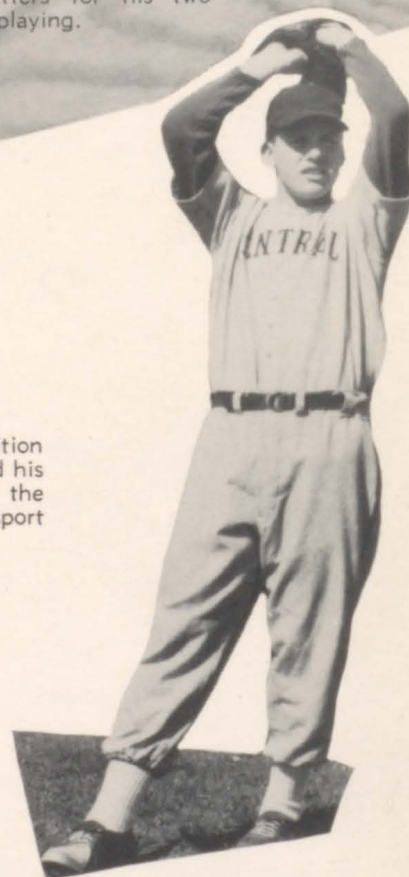

**Anthony (Zazz) Zazzarino**

A veteran on the varsity team who has seen action for three seasons, Zazz holds a spot on the All-City team. He has received a gold baseball and three varsity letters.

**Joe Dinardo**

Despite keen competition Joe has been able to hold his third base position on the Varsity. Joe is a good sport and letterman.

**Mike DeRogatis**

Mike's hard work and wonderful pitching have earned him a spot on the All-City championship team, a gold baseball and three letters.

Coach Reilly and part of squad intent on a squeeze play.

## SWIMMING TEAM

Central's well-coached and trained swimmers have ended the season with disappointment, but not with regret. Although they did not win the city championship, they have profited. Individual swimmers became stars, champions, and good sportsmen. This, at Central, is worth all the time and effort placed upon sports.
